

# Edmondsley Primary and Nursery School

04/07/16

## End of Year Reports

Everyone should have received their End of Year Report on Monday 4<sup>th</sup> July for their child. These give an in depth evaluation of your child's learning throughout the year. If however, you feel you need to speak to your child's class teacher for further clarification, please use the form below and return it to school as soon as possible. We also welcome your views on the Report format and the information you received.

## Moving on day – Friday 8<sup>th</sup> July

All children will enter school as normal and go to their usual class for registration. After assembly at 9:00 children will move into their new year group. This is an exciting day for all. We will be welcoming Mr Glenton, our new deputy head and Mr Mander, our new Year 5/6 teacher too. I am particularly pleased both new members of staff are able to join us for the day.

## Homework

Thank you to everyone who returned the Homework Questionnaire. Please use the following link to our website for further information on written methods for the four calculation.

## Sports Day

Thank you to all who joined us for Sports Day on Friday. I believe we completed the 'fast' races almost in time for the 'light' showers to begin in the morning. The 'slower' races though, (balancing crowns on head) were enjoyed just as much, even though underfoot it became just a bit squelchy!
