

Edmondsley Primary School

09/11/15

School Photographer

Our School Photographer will be in school on Thursday 12th November to take individual, family, Rugby and Football Team Photographs. (Please can Rugby and Football Teams bring their strips into school).

Please enter school via the main entrance from 8:30 if you wish to have photographs of pre-school children with older siblings.

Siblings within school will have their photographs taken throughout the morning. You do **not** need to bring a Year 2 and Year 4 child into school at 8:30 for this photograph to take place. This will be organised within school.

Afternoon Nursery Children will also have the opportunity for their photograph to be taken. This will be organised in the afternoon session.

Parking outside of school

Please see the poster below designed by one of our pupils to highlight the importance of not parking in front of school.

Wet/Snowy Weather Reminder

Please note, Key Stage 1 and Key Stage 2 entrance doors will be open for your child to enter school rather than line up in the yard in the wet and snowy weather.

Head lice

Your child will bring home a leaflet this regarding head lice for your information.

NSPCC Assembly for Year 5 and 6 children

An assembly and follow up workshops have been organised for year 5 and 6 children. These will encourage the understanding that any problem or worry that your children may have is legitimate and to share their worries – big or small - with their trusted adult at home, school or with childline. A letter providing more detail and the opportunity to opt out of this assembly and workshop will be provided.

Autumn Fayre Monday 30th November 3:20 – 4:30

Please bring raffle/tombola donations to school as soon as possible. Cake donations will be accepted on the morning of 30th November at the main entrance.

Uniform

As of the 30th of November 2015 we will be changing our uniform supplier. Our current supplier has been unable to provide us the level of service that we require or expect for our children.

As an added bonus the new suppliers, Tots to Teams will also take orders direct from Parents/Carers cutting out the need for orders to go through the school office. This will speed up the ordering process and the new supplier is considerably cheaper.

Tots to Teams have included a price list which we have included below for you to compare prices.
