

# Edmondsley Primary and Nursery School

22/02/16

## Class 3 Swimming Lessons

Due to circumstances beyond our control we are having to temporarily suspend School Swimming Lessons at Freemans Quay Leisure Centre until Monday 7<sup>th</sup> March.

## Congratulations Mrs Roe!

You may recall some time ago from a previous newsletter, that Mrs Roe joined us in our office to gain experience of working in a school. I am delighted to announce that she has been successful and begins full time employment as a school secretary. Well done Miss Baker – your training obviously helped!

## Term dates

Please always use Durham County Council Website as this is the only website we share our dates with. <http://www.durham.gov.uk/schoolholidays> We will of course continue to add reminders to school newsletters.

It has been brought to our attention that the following website does not show the correct information for our school dates. <https://termdates.co.uk/school-holidays-edmondsley-primary-school/>

## World Book Day

This year 'World Book Day' falls on Thursday 3<sup>rd</sup> March. In order to encourage reading and to add an element of fun, this year we are hoping again that as many children as possible bring a photo of themselves reading in '*unusual places*'. Ideas for inspiration can be found by Googling 'Extreme Reading' images.

Have fun!

Mrs Cornish
