Mother's Day

OPAL (Outdoor Play and Learning)

Come along and celebrate our Outdoor Play and Learning successes so far with us on Thursday 10th March from 3:30pm. A slideshow showing your children having fun at playtimes and lunchtimes will be shown and refreshments will be available.

Michael Follett, who has been providing further training for staff, has been invited to our school to talk to parents regarding the OPAL which is taking place.

Please complete the form below and return to school by Friday 4th March if you would like to attend the slideshow/meeting with Michael Follett. This will allow us to organise seating arrangements.

As our OPAL team are keen to begin more activities, it may be wise for your children to wear an old coat for school. The all in one suits have successfully kept children clean whilst playing in the mud kitchen.

Class 3 Swimming Lessons

Due to circumstances beyond our control we are having to temporarily suspend School Swimming Lessons at Freemans Quay Leisure Centre until Monday 7th March. Swimming will resume next Wednesday.

Nursery Stay and Play Sessions

After the success of the Christmas stay and play sessions we would like to invite you to our Easter session on Wednesday 23/03/16. This will give you an opportunity to see your child in the nursery environment, look through your child's learning journal and talk to nursery staff. The sessions will run for the last hour of your child's usual session.

Morning Nursery 10:45 – 11:45

Afternoon Nursery 2:30 – 3:30

If you are not able to make these sessions please speak to one of the Nursery Team to arrange an alternative time.

World Book Day Reminder

This year 'World Book Day' falls on Thursday 3rd March. In order to encourage reading and to add an element of fun, this year we are hoping again that as many children as possible bring a photo of themselves reading in '*unusual places*'. Ideas for inspiration can be found by Googling 'Extreme Reading' images.

Have fun!
