

## Outdoor Play and Learning at Edmondsley Primary 25<sup>th</sup> November 2015

I would personally like to say a big thank you to all parents who are supporting us on our quest to improve the quality of play experiences your children have at playtimes and lunchtimes at Edmondsley Primary School. (Mrs Rees)

Lunchtime was a great success today with children and adults alike. Please ask your child about it! We were able to use all the resources children brought.

Kian and Seth, two of our Digital Leaders, have uploaded photographs onto our school blog. These will be available for you to see soon but for now, here are a few of my favourite shots!

Great opportunities for collaboration. What a camp!

On their way to Bethlehem! These children played co-operatively organising the 'boat' to Bethlehem.

If at first you don't succeed, try and try again! Great opportunities for children to experience 'trial and error.'

Thank you once again for your support.

The OPAL Team.
