Mrs Baquall

We have received some lovely letters which have been forwarded to Mrs Baquall ...

Dear Ms Baquall, from Niere

It is lovely to hear that you once came to our school and your father was headmaster many years ago. We all are so ~~happy~~ happy that our school is one of the best places to live, in Durham and it is lovely to hear that you are a doctor/nurse. This is what our school looks like now.

Dear Miss Back

We are so proud of you for sending our school a letter. All of us in Edmondsley School are wanting to thank you for being such a kind woman. I want to ask you how old are you.

Thank you

Dear Mrs Baquall

I am extremely pleased that you have wrote to us to say how proud you are of Edmondsley. In your letter I was very intrigued, where you said your father (Mr Kennedy) used to be head at our school in the 1950's. It was so interesting to hear about the school history. It is my last year at Edmondsley and my favourite thing has to be OPAL, it stands for outdoor play and learning. We build dens and have lots of equipment to play with. I am very happy with my 7 years at Edmondsley and I am sure you were!

Kind Regards

Scooters have continued to arrive in school on Tuesdays. I'm happy that this has been successful. PCSO Adam Wignall has offered to security tag scooters in school this Tuesday 4th April. Please ensure you complete the letter provided on Friday and return to school by tomorrow. Please note that on this occasion PCSO Adam Wignall is marking scooters only.

Friday After School Club (Reminder)

Key Stage 2 children have accessed FREE Friday after school club for a considerable time now. We would like to offer this opportunity to Years 1 and 2 for the remaining Summer Term starting after our Easter Break. If you would like your child to join the active Super Skills class, where your child will participate in many energetic physical activities, then please complete the form below and return to school as soon as possible. We have a limited number of spaces so the first 25 forms that are returned will secure a place. You will be notified by text if you are one of the 25. Please collect your child from the Main Entrance at 4:20.

Online safety workshops for parents (Reminder) Thursday 6th April at 2:10pm

To continue our cross-curricular learning throughout the school, we will be holding a **Safety Week** next week. During this time, all children will be focusing on how to stay safe in a variety of ways; whether this is online, in their local environment or around the home.

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

As part of this, Mr Glenton has organised a free online safety workshop for parents. This will take place on **Thursday 6th April at 2:10pm** in our School Hall. We would like to invite all parents and carers to join.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

If you would like to attend, please complete the reply slip below and return it to the school office tomorrow in order for us to organise seating.

Have a lovely Easter Break everyone!
