Miss Baker

It is with great sadness and a heavy heart that I am leaving my position here at Edmondsley Primary School on Friday 17th February. I have been appointed as School Business Manager at a school in North Tyneside which is much closer to my home. It has been no easy decision to leave Edmondsley and all of the wonderful pupils or their Parents who I have gotten to know so well over my time here. It has been mainly down to the support of Mrs Rees, The Governing Body and fellow Staff that I have enjoyed every minute of working here. Their continued dedication to offering pupils the best education and opportunities in life is second to none. Whilst everyone makes everything seem so smooth and seamless they are working tirelessly behind the scenes and in their own time. Edmondsley really is a magical place which I will always be proud to have been part of, where community is at the heart of everything we do. The generations of families who have attended and continue to do so are because of the hard work and dedication of the whole team. I will miss each and every one of you.
