ScooTer Tuesdays

Scooters have continued to arrive in school on Tuesdays. I'm happy that this has been successful. PCSO Adam Wignall has offered to security tag scooters in school next Tuesday 6<sup>th</sup> April. Further details of this will follow.

Nursery

Mrs Wall has been successfully approved to adopt a child (we never had any doubt at all!) and will begin her adoption leave after the Easter break. We wish her and her new family all the very best. Mrs Welsh, who is an experienced Nursery Teaching Assistant, will be re-joining the Early Years Team.

Friday After School Club

Key Stage 2 children have accessed FREE Friday after school club for a considerable time now. We would like to offer this opportunity to Years 1 and 2 for the remaining Summer Term starting after our Easter Break. If you would like your child to join the active Super Skills class, where your child will participate in many energetic physical activities, then please complete the form below and return to school as soon as possible. We have a limited number of spaces so the first 25 forms that are returned will secure a place. You will be notified by text if you are one of the 25. Please collect your child from the Main Entrance at 4:20.

Online safety workshops for parents

To continue our cross-curricular learning throughout the school, we will be holding a **Safety Week** next week. During this time, all children will be focusing on how to stay safe in a variety of ways; whether this is online, in their local environment or around the home.

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

As part of this, Mr Glenton has organised a free online safety workshop for parents. This will take place on **Thursday 6<sup>th</sup> April at 2:10pm** in our School Hall. We would like to invite all parents and carers to join.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

If you would like to attend, please complete the reply slip below and return it to the school office by **Monday 3<sup>rd</sup> April**.
