

ENGLISH

Instruction Texts/Fairytales

Our Objectives will be to:

- Organise texts in different forms of writing.
- Plans out loud what is going to be written.
- Creates simple plans to support writing.
- Makes simple improvements to writing.
- Proof-reads own writing to check for basic spelling, sentence and punctuation errors.

MUSIC

Exploring Sound

Our Music focus will be exploring instruments and the sounds they make and accompanying stories and rhymes.

Our Objectives will be to:

- Select instruments appropriate to the mood or setting in a story or scene.
- Begin to learn simple rhythm notation.
- Experiment with, create, select and combine sounds using inter-related dimensions of music.
- Play tuned and un-tuned instruments musically.

GEOGRAPHY/HISTORY

Castles

During topic lessons we will be studying castles of the past and comparing lives today with life in medieval England.

Our Objectives will be to:

- Learn about the different features of castles.
- Design the best place to build a castle based on the geographical features.
- Compare and contrast different types of castles.
- Understand ways in which we find out about the past.
- Develop awareness of the past, using common words and phrases.
- Begin to use dates, showing where places, people and events fit into a broad chronological framework.
- Use world map, atlases and globes to identify the UK, countries, continents and oceans.

MATHS

Number Bonds/Doubling/Shapes/Statistics

Our Objectives will be to:

- Develop recall in number bonds to 20, then 100.
- Solve problems (one and two step) using all four operations including decimals and fractions.
- Develop understanding of measures including area and perimeter.
- Compare and classify shapes 2D and 3D.

Squirrel Class - Autumn Term 1 Dungeons and Dragons

PE

We will be taking part in PE on Monday and Thursday afternoons. The children will need their PE kits for these days. We will be doing games and dance.

RE

What do Christians believe about God?

During our RE lessons, we will be exploring what

Our Objectives will be to:

- Learn about the Christian belief in God as Creator.
- Understand how Christians thank God for creation at harvest.
- Talk about what they like about the natural world and how they can help look after it
- Learn some of the words Christians use about God and what the Holy Trinity represents.

PHSCE

New Beginnings

This half term, we will be exploring what to do in new situations.

Our Objectives will be to:

- Understand the importance of rules and think of rules we should have within our classroom.
- Understand the importance of making others feel welcome.
- Understand how to give and accept a compliment.
- Understand the importance of sharing and working as part of a team.
- I can tell you how I feel good about the things I do well.

COMPUTING

How to train your dragon robot

We will link our computing skills to our topic theme on dragons.

Our Objectives will be to:

- Know what an algorithm is and express simple algorithms.
- Know that computers need precise instructions.
- Create a simple program.
- Know that programs run by following precise instructions.

ART/DT

Dungeons and Dragons

Our focus for this half term will be inspired by our dungeons and dragons topic.

Our Objectives will be to:

- To build structures exploring how they can be made stronger, stiffer and more stable.
- To design purposeful products based on design criteria.
- To assemble, join and combine materials using simple fixing materials.
- To suggest how products can be improved.
- To collect natural materials to create temporary collages.
- Think about what materials best suit the task.
