

ENGLISH

Texts linked to 'What a Wonderful World' and Traditional Tales

Our Objectives will be to:

- Write short narratives based on real and fictional experiences
- Uses a simple plan (e.g. storyboard, flowchart)
- Re-read what has been written to check it makes sense
- Make simple changes to writing where suggested

We will be sending spellings home for you to practice with your child. Please also practice high frequency word spellings as we will focus on these this half term.

MUSIC

World Music

Our Music focus will be on singing and listening to music from around the world.

Our Objectives will be to:

- Use our voices expressively and creatively by singing songs and speaking chants and rhymes
- Listen with concentration and understanding to a range of high-quality live and recorded music around the world

GEOGRAPHY/HISTORY

Weather Patterns / Bridges

During topic lessons we will be learning about the engineer Brunel and the Bridges he built and we will also be observing UK weather patterns.

Our Objectives will be to:

- Choose and use parts of stories and other sources to show understanding of events
- Recognise why some events happened
- Identify seasonal and daily weather patterns in the United Kingdom and the location of hot areas of the world in relation to the Equator.
- Identify and discuss key physical features

MATHS

Measures / Consolidation of Year 1 maths objectives

Our Objectives will be to:

- Compare, describe and solve practical problems for a range of measures (length, mass, capacity, money and time)
- Measure and begin to record using standard units (e.g. cm, Kg, ml)
- Recognise and know the value of different denominations of coins and notes
- Recognise and use language relating to dates, including days of the week, weeks, months and years
- Tell the time to the hour and half past and draw the hands on a clock face to show these times
- Consolidating understanding of number and place value, addition, subtraction, multiplication, division and fractions

Hedgehog Class - Summer Term 2 What a Wonderful World

PHSCE

Changes

- I know that I have changed and I will continue to change as I get older
- I know that change can be scary, exciting and fun
- I can change negative behaviour into positive behaviour

PE

We will be taking part in PE on Monday and Wednesday afternoons. The children will need their PE kits for these days. We will be doing Games and Athletics.

RE

Judaism - the Torah

During our RE lessons, we will be continuing to learn about Judaism and will have a visitor from a local synagogue so we can ask how they practice their faith and why it is important to them.

Our Objectives will be to:

- Understand what the Torah is
- Know why the Torah is important to Jewish people
- Ask thoughtful and respectful questions to learn more about Judaism

ART/DT

Bridges

Our main project this half term will be designing and constructing model bridges, focussing on how to make stable and strong structures.

Our Objectives will be to:

- Build structures, exploring how they can be made stronger, stiffer and more stable
- Explore and use mechanisms [e.g. levers, sliders], in products
- Use drawing, painting and sculpture to develop and share ideas, experiences and imagination
- Work from observation and known objects
- Begin to control lines to create simple drawings from observations
- Investigate a range of different materials and experiment with how they can be connected together to form simple structures

SCIENCE

Properties of Materials

Our Objectives will be to:

- Describe the simple physical properties of a variety of everyday materials
- Compare and group together a variety of everyday materials based on their simple physical properties
- Make and record observations
- Discuss the results of our investigations
- Investigate the importance of recycling

We will also be taking part in a whole school science week asking 'Why are living things the way they are?'

COMPUTING

App Attack

Our Objectives will be to:

- Write a set of simple algorithms for a game
- Design a maze for our robot game
- Design our robot and the logo for our robot APP
- Design an advertisement for our game using I Movie and Word
