Elementary, My Dear Watson

As part of our topic, we would like you to help your child to get involved at home.

The children can choose which order to complete the suggested activities in; they may even come up with some of their own ideas!

Children need to complete one piece of homework per week. On the Friday of that week, children will be given time to **share their homework with a homework partner.**

Creations/work is to be returned each **Friday (13th, 20, 21st, 28th September and 4th October).**

We cannot wait to see what you come up with and we will continue to display your work in class, for everybody to see.

Enjoy,

Mr Glenton and Mrs Pears
