

ENGLISH

News reports/Stories with repetitive language

Our Objectives will be to:

- Write for longer periods of time and a greater length of written work.
- Proof read their own writing to check for basic spelling, sentence and punctuation errors.
- Use a range of conjunctions within writing.
- Use new vocabulary taken from books read.
- Use punctuation accurately in writing.

MUSIC

Uplifting Edmondsley

We are recording our very own CD this term and the children will be learning songs as a class, key stage and whole school to perform. Watch this space!

Our Objectives will be to:

- Use their voices expressively and creatively by singing songs and speaking chants and rhymes.

GEOGRAPHY/HISTORY

Superheroes

We will be looking at superheroes in everyday life, from the past and in the present.

Our Objectives will be to:

- Use world map, atlases and globes to identify the UK, countries, continents and oceans.
- Understand ways in which we find out about the past.
- Develop awareness of the past, using common words and phrases.
- Recognise why people did things.
- Recognise why some events happened.
- Recognise what happened as a result of people's actions.
- Identify ways that the past is represented.

MATHS

Our Objectives will be to:

- Consolidate and develop fluency, problem solving and reasoning in the areas of :
 - Measures including time
 - Money
 - Properties of shape
 - Position and direction
 - Statistics

Squirrel Class - Spring Term 1

Superheroes - to infinity and beyond!

PE

We will be taking part in PE on **Thursday** afternoons. The children will need their PE kits for this day. We will be doing dance. **On Mondays we will be doing RELAX KIDS and the children will need a blanket.**

RE

What do the stories of Jesus teach Christians?

What is the Meaning of Easter?

- Through reading a range of bible stories, explore the morals behind the teachings of Jesus and think about their own morals and who teaches them.
- Explore the story of Easter and the meaning for Christians.

SCIENCE

Consolidation

This term we will be consolidating what we have learned over the previous three half terms.

PHSCE

Good to be me

This half term, we will be thinking about our strengths.

Our Objectives will be to:

- Identifying strengths and weaknesses in themselves and others.
- Identifying positive and negative feelings, and how to best to cope with them.
- Finding coping mechanisms to relax and calm down.
- Finding positive ways to deal with difficult situations.
- Understanding that behaviour is a choice and that you can choose to do something different.

COMPUTING

Code-tastic

We will focus on computer programming this term and how to write codes and solve problems or issues which occur.

Our Objectives will be to:

- Understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions
- Create and debug simple programs.
- Use logical reasoning to predict the behaviour of simple programs.

DT/Art

Printing/Superhero Slider Poster

Using our topic of superheroes, the children will be printing and using sliders to create a poster of their own superhero.

Our Objectives will be to:

- Finger print, sponge print, block print to form patterns.
- Experiment with amounts of paint applied and develop control.
- To design purposeful products based on design criteria.
- To assemble, join and combine materials using simple fixing materials.
- To suggest how products can be improved.
