

ENGLISH

In English during this half term, we will be focussing predominantly on poetry and letter writing. These will be directly linked to our World War One theme and will include looking at:

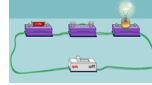

- In Flanders Fields
- Where the Poppies now grow
- Dear Jelly
- The Christmas Truce

SCIENCE

In Science during this half term our focus will be on electricity, we will be:

1. Building simple circuits
2. Testing how the volume of a buzzer changes depending upon the number and voltage of cells used in the circuit
3. Comparing and giving reasons for variations in how components function
4. Drawing circuit diagrams
5. Identifying the effect if changing one component at a time in a circuit

GEOGRAPHY/HISTORY

In History and Geography this term our focus will be on World War One. As part of this, we will be:

- Learning how WW1 started
- Researching trench warfare
- Identifying and locating countries that were involved in the war
- Investigating the impact that WW1 had on society

MATHS

In Maths during this half term, our objectives will focus primarily on working with fractions:

- Finding fractions of quantities
- Simplifying fractions
- Finding equivalent fractions, then comparing and ordering them
- Adding, subtracting, multiplying and dividing fractions
- Calculating percentage
- Comparing fractions, decimals and percentages

Stag Class - Autumn 2 World War One

PE

We will be taking part in PE on **Wednesday** and **Friday** afternoons. The children will need their PE kits for these days. We will be doing gymnastics, as well as practising dancing for the Christmas play.

RE

Who was mother Theresa?

PHSCE

Relationships

By the end of the topic, we will:

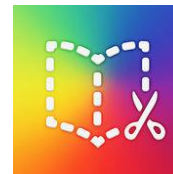

- Know the difference between a casual and close relationship.
- Understand that people grieve in different ways.
- Be able to think about what embarrasses me
- Be able to tell how others may feel in an unfamiliar situation.
- Recognise when we are using a put down.
- Know how to show others that I appreciate them.

COMPUTING

Young Authors Project

During this project, children will develop a story idea in small groups to create a **storyboard**. The children will then use **Book Creator** and **Brushes** to create their own **eBook** including text, illustrations and audio.

ART/Design technology

Our Art and DT projects this year will all be linked to our overarching World War One topic. These projects will include

- Researching and analysing primary sources
- Designing and constructing World War One structures
- Learning how a position would have been fortified and strengthened
- Researching, designing and using embroidery skills to create a WW1 uniform badge

We will also be researching rationing during the War and attempting to cook some components of a World War One meal.

MUSIC

Our focus for this half term will be reading music to perform and rehearsing for our Christmas production.

We will be learning to:

- Play and perform in solo and ensemble contexts, using voices and playing musical instruments with accuracy.
