3. Sun hat and sun cream (please apply in the morning– we will reapply at lunchtime if necessary. PLEASE PLACE YOUR CHILD'S NAME ON THE SUN BLOCK).
4. Bucket and spade (clearly labelled with your child's name).
5. A packed lunch (one will be provided if you usually have a school dinner).

**Volunteers to support this Educational Visit have already been organised. Thank you everyone for your support with this very popular Educational Visit.**

## Our Classes in Key Stage 2

Key Stage 2 (Juniors) is made up of four year groups; Years 3, 4, 5 and 6. We have three classrooms to teach these 4 year groups in. Like many schools, our classes have operated with mixed year groups in them for many, many years. For example, one class has Year 3 and 4 children in it, another having year 5 and year 6 children in it. As in previous years, various factors are taken into consideration when deciding which class your child should be part of.

If a child has the same teacher for two consecutive years, this does not mean he/she is repeating a year. All children continue to receive individual English and Mathematic targets which are appropriate for your child – no matter who they are being taught by or which class they are in. Our Key Stage 2 School Curriculum is planned on a two year cycle so afternoon topics are different year from year.
