

Edmondsley Primary and Nursery School

25. 04.19

Welcome to the summer term at Edmondsley Primary School.

We started on Tuesday with a great display of Easter Eggs. Thank you everyone for your participation and huge thanks to Mrs Ruddick, a former teacher of Edmondsley for expert judging. It was so lovely to see you again.

Last half term, we were successful in our application for a grant from the Healthy Pupils Capital Fund and were awarded £2500 to improve our line markings on our playground and healthy eating at school. This week, we have started to use our new self-service salad bar where children can choose their own vegetables to complement their school dinners. We have had a wonderful take-up of children choosing at least two portions of vegetables which they enjoy. Well done everybody for keeping healthy and Mr Glenton for successfully achieving the grant.

Miss Skidmore also successfully achieved a grant of £2000. This has allowed us to relocate our allotment to the main school field where it is much more accessible to children during lunch and playtimes. Our new allotment area comprises of raised beds (Thank you Mr Patrick for arranging and building these) seating and planting areas. We have also been able to purchase a summer house. Any willing volunteers who are able to help our caretaker build the flat pack summer house would be much appreciated. Please contact our school office with your name and when you are available.

Our Easter Enterprise Fair was well attended once again. After pitching ideas to Governors and then creating goods to sell, all money has been counted and the results are in.....

1st	Squirrel Class	£60.98
2nd	Butterfly Class	£52.65
3rd	Rabbit Class	£49.36
4th	Hedgehog Class	£42.67
5th	Caterpillar Nursery	£37.86
6th	Deer Class	£31.68
7th	Stag Class	£24.37

Classes are now debating on how they will spend the profits. Watch this space!
