

Home Learning Grid

Week beginning:	20th April 2020
Class name:	Squirrel Class
Teacher's weekly message: 	Hello my little squirrels. It feels like such a long time since I've seen you all. I hope that you and your families are all healthy and well and trying hard to enjoy this precious time together as families. I have enjoyed gardening, playing board games with my children, cooking, reading and watching Netflix. I have found only going out once a day very hard - I bet it's frustrating not being able to go to the park. I am NOT enjoying home-schooling my three children whilst trying to do some school work. I would much prefer to be teaching you guys at school 😊 You're so much better-behaved! I hope that we will see you again soon but only when it is safe. Take care, stay safe! love Mrs Anderson

This grid will give you some ideas of activities you can do at home. Try and complete one activity from each section (column) every day (Mon-Fri).

English	Maths	Wider Curriculum	Family Fun
Read your book for at least fifteen minutes. Tell someone about what has happened. Use Oxford Owl website- logins were sent home.	Times table practice (look at 3times table) https://ttrockstars.com/	Draw a picture of your favourite superhero. Add labels to your picture to describe their costume.	Ask people in your family what their favourite song is. Listen to the songs & decide which one you like best.
Find 5 different objects in 3 different rooms in your house and write them in a list using commas e.g: In my bathroom I have shampoo, soap, a toothbrush, towels and toilet roll.	https://whiterosemaths.com/homelearning/year-2/ Lesson 4 - watch the video and complete the activity.	It has just been Easter time. Design your own Easter egg on paper or a real egg. Follow these steps: Plan your design, make it and evaluate- How well did it go?	Play Guess Who using adjectives to help you to guess the character! Who is the first player to get to three wins?
Head over to https://www.topmarks.co.uk/englishgames/5-7-years/words-and-spelling And test yourself with our Year 1 and 2 spellings.	https://whiterosemaths.com/homelearning/year-2/ Lesson 5 - watch the video and complete the activity.	Write a thank you card to a superhero. In the card, tell the superhero how they helped you and why you think they are a role-model.	Go in the garden with a member of your family and a ball. Make up a new game with your own rules then show it to somebody else.
 Look at this tiny dragon. Answer these questions in your book (In full sentences). 1. Where has he come from? 2. Why is it so small? 3. Where does he live? 4. How would you look after it?	Find 10 different objects around your house. Use a ruler to measure them to the nearest cm. Put them in order from the smallest to the biggest.	Find out the answer to these questions: 1. What is a habitat? 2. What are the names of some habitats? 3. Name some animals that live in each habitat.	Watch a film which has a villain in it who has special powers. Discuss with an adult how the villain could have used their powers for good and how this would have changed the film.
Write a letter to an elderly relative that you have not seen for a while. Maybe even draw a picture for them. Pop it in the post.	Roll a dice twice to get a 2-digit number. Do it again to get another two-digit number. Then add these two numbers together. Do three sums like this.	Which person in your life do you think is like a superhero? What do they do which is fantastic? Would you like to be like them? Write 4 sentences.	Build your own fort out of things you can find in the house. Then take a story in there and share it with somebody.
