

Home Learning Grid

Week beginning:	11 th May 2020
Class name:	Stags
Teacher's weekly message:	Hi Stag Class. We hope you had a good week at home and celebrated VE day with your family in the lovely sunshine. We have received lots of photos from you, showing us what you have been up to - It is good to see Stag Class keeping up with their learning. Here is your week 4 learning grid, have a go at the activities and keep your minds sharp for when we return. I have been telling the secondary school teachers (for year 6) all about you, they are looking forward to meeting you soon. Have a good week everybody, Mr Glenton and Mors Pears

This grid will give you some ideas of activities you can do at home. Try and complete one activity from each section (column) every day (Mon- Fri).

English	Maths	Wider Curriculum	Family Fun
Find ten adverbs which do not end in ly. Put these into sentences. Start each sentence in a different way.	Complete these calculations 456×7 $5256 \div 4$ $43567 + 6972$ $6572 - 4798$ 4325×24 $5672 \div 14$	This week is Florence Nightingale's birthday. Research her life and find out 12 facts about her.	Go for a local walk with a member of your family to somewhere you haven't been to in a while or even have never been to.
The three main types of sentences are statements, questions and commands. Write three examples of each - include an adjective in each one.	Find the two means of these sets of numbers: 6, 4, 5, 7, 3, 5 8, 9, 6, 4, 2, 7, 6	Make a poster about Florence Nightingale - Use your facts that you have researched.	Call a grandparent, friend, aunt or uncle who you haven't seen in the past six weeks. Tell them what you have been doing.
Write a story which takes place when you/a character discovers a rainbow in the garden. Where will it take you? What will be the problem to solve?	Find 10 things that are less than 10cm in your house. Measure them to the nearest mm.	It is the time of year when birds start to have their young. Write down the names of ten types of birds and the names of their young e.g. Swan = Cygnet.	Make some fat balls from lard and seeds. Hang them up in your garden and watch the birds come and visit!
Look up these words in a dictionary - what do they mean? Use them in sentences: Bibliophile, Ethereal, Ineffable, Numinous, Serendipity	Write down six equivalent fractions to $\frac{1}{2}$. Write down four equivalent fractions to $\frac{1}{4}$.	Draw round your hands or feet. You could paint them and do some printing? Can you change the shapes into an animal?	Make a collage out of material, dried pasta and other bits you can find around the house. It could make a picture or could just be a colourful creation.
What was the last song you listened to? Write down the lyrics in your best, joined handwriting.	Write ten calculations that use $<$ or $>$ for example: $14 \times 10 < 419 - 29$ $565 \div 5 > 12 \times 6$	Have a look at this website about the Anglo Saxons and Vikings. https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/z8q487h	Get active - either go on a bike ride, do some skipping to get ready for our morning challenges or go for a run with an adult.
