| Week beginning: | 22 nd June 2020 |
| Class name: | Stags |
| Teacher's weekly message: | Hi Stag Class. I hope you all have had a good weekend and you are all looking forward to the forecasted sunshine in the coming week. I have had a lovely Father's Day with Annabel and Myla and went for a very long walk in the woods. Mrs Wilkinson and I are trying to arrange an event for the Year 6s before the summer holidays, we will let you know as soon as we have a plan! Take care and have a lovely week, Mr Glenton and Mrs Pears. |

STAY SAFE - BE KIND

This grid will give you some ideas of activities you can do at home. Try and complete one activity from each section (column) every day (Mon- Fri).

| English | Maths | Wider Curriculum | Family Fun |
|---|--|---|--|
|  <p>The Winter King strolled confidently through the river of ice. This was HIS domain. Here, it was always winter. Continue the story...</p> | <p>Go to https://uk.ixl.com/math/ and select your year group. Spend 30 minutes each day answering the questions. How many can you get correct in a day?</p> | <p>Research some famous women who changed the world. Make a poster about one. Choose from: Anita Roddick Ingeborg Beling Wangari Maathai Eugenie Clark</p> | <p>Make 10 paper aeroplanes, using a different design for each one. Test each one out to find out which one flies the best. Why do you think this is? Can you make a larger model using this design?</p> |
| <p>Complete two BBC bitesize English lessons this week. Watch the videos and complete all the activities.</p> | <p>List as many numbers as you can which are in the 4, 5 and 2 times tables. Which ones can you find over 400?</p> | <p>This half term, we would have been exploring our sewing techniques. Work with an adult to create a cross stitch design.</p> | <p>The weather is supposed to be lovely this weekend. Go somewhere new and have a picnic.</p> |
| <p>Use these words in a sentence for each one: prophet, profit, pane, pain, weight, wait, their, there, they're.</p> | <p>Spend 20 minutes a day on TT Rockstars. You need to know your times tables well for next year at school.</p> | <p>Science experiment - https://www.exploratorium.edu/snacks/gassy-eggs Look at what can happen with eggs!</p> | <p>Build a garden assault course using things in your garden or from your house. Race against your family.</p> |
| <p>Sign up for the Summer Reading Challenge at https://summerreadingchallenge.org.uk/ complete some of the activities and make your way through the first challenge.</p> | <p>Which statements are true? 1. An even number is always in at least three times tables. 2. There's 21 prime numbers under 50. 3. There are 4 main types of triangles.</p> | <p>Science experiment - https://www.exploratorium.edu/snacks/skin-shield Look at how your skin acts as a shield against viruses and other nasties.</p> | <p>Have a taste testing evening with your family. Choose ten foods which you have not tried before and get your parent to blindfold you before you taste each one.</p> |
|  |  | <p>Draw ten shapes with four sides. Measure them to the nearest mm and add them up to find their perimeters.</p> | <p>There are lots of birds out at the moment who have finished nesting and are now looking after their young. Research the five common birds you find in the UK.</p> |
