

Home Learning Grid

Week beginning:	6 th July 2020
Class name:	Stags
Teacher's weekly message:	Hi Stag Class, I hope you are all well? Two weeks until Summer break! Look out for a message soon (Year 6) about your goodbye message movie, I'll send a text/Facebook post this week telling you when it will be uploaded. Although it has not been great weather, I've spent a lot of time in the garden this weekend, getting it ready for the holidays. I hope you are all keeping active too. .Take care, Mr Glenton and Mrs Pears.

This grid will give you some ideas of activities you can do at home. Try and complete one activity from each section (column) every day (Mon- Fri).

English	Maths	Wider Curriculum	Family Fun
 <p>I tip-toed slowly through the forest, leaves and twigs crunching beneath my feet as I edged closer and closer. I could make out the tiny details...Continue the story...</p>	<p>Go to https://uk.ixl.com/math/ and select your year group. Spend 30 minutes each day answering the questions. How many can you get correct in a day?</p>	<p>A lot of us are spending time on the internet during lockdown but it is vital we stay safe. Discuss five rules with an adult of how we can do this. If you can, watch the internet safety videos called play like share by CEOP, which are available online.</p>	<p>Sports challenge - Challenge your family to a skills test - It could be how many times you can keep up with a ball, how many times you can jump a skipping rope in a minute, how fast you can run 100m in? Keep a chart of all your challenges.</p>
<p>Use a dictionary to find the meanings of these weird words then write a sentence using them:</p> <p>Kerfuffle, gibberish, ridiculous, discombobulate, lackadaisical</p>	<p>What is the mean of these sets of numbers: 15, 16, 14, 17, 13 4, 5, 6, 7, 8, 9, 3 10, 20, 25, 35, 34, 18</p>	<p>Sunday was the 72nd anniversary of the NHS . Research what the NHS is and create a poster to celebrate this unique and fantastic service which looks after our country.</p>	<p>Find some photos of your family and friends. Ask your parents if you can cut these out to make a collage of people who are special in your life.</p>
<p>What words can you make out of these letters? What is the longest word you can write?</p> <p>a, g, w, t, s, e, i, c, r, b, i</p>	<p>Measure 10 objects from around the house to the nearest mm. Put these in order from largest to the smallest. Now round them to the nearest cm.</p>	<p>Go to BBC bitesize and complete three of the lessons that are not English or Maths. Watch all the videos and try to complete all of the activities.</p>	<p>Make a pudding or cake that you can enjoy with your family after dinnertime, one night this week. Make it delicious!</p>
<p>Remember the last book you read. Write your own book review answering these questions? What happened? Why you liked/disliked it, if it reminded you of another book, how it could be improved.</p>	<p>What number is a multiple of 2, 3, and 5, an even number and between 100 and 200? How many answers are there? Now write your own guess my number sentence.</p>	<p>Science experiment - https://www.exploratorium.edu/snacks/skin-size Learn all about your body's largest and fastest growing organ.</p>	<p>Invent a board game with a grown up. What will the aim of the game be? What will you use for counters? What are the rules?</p>
<p>Write ten questions for your next teacher which you really want to know or feel anxious about. See if anybody knows the answers.</p>	<p>Solve these calculations: 12345 ÷ 6, 2345 × 7, 6578 + 3658 7421 - 5929, 0.09 × 100, 1.45 ÷ 10</p>	<p>In Maths we look at tessellated patterns. Can you create your own by covering a page with the same shape but without any gaps?</p>	<p>Get your fingers messy & by gardening with a grown up. What can you achieve in your garden?</p>
