## How are we going to celebrate our successes without a Celebration Assembly?

### School Promise

One of my favourite times of the week is when staff and children gather in the hall to celebrate achievements and successes during our Celebration Assembly. We will obviously not be able to gather in the hall. However, staff will still be identifying children throughout the week who have kept our School Promise to give awards to. These will be presented to the children in their class.

### Attendance

Mrs Haswell will still be calculating attendance percentages and these can be viewed via facebook on our Celebration Page.

### Castle Teams

Every child will still be part of a Castle team and receive a coin for their castle worth 2 points and jewels from our lunchtime supervisors which are worth 5 points when excellent behaviour and attitudes are

observed.

## Homework

Staff are delighted with your children's attitudes to work on their return to school. We were not intending on sending homework so soon but your children are showing us they are ready for a little bit of something.

Teachers have organised Spelling lists to be placed on our school website. You will receive information this week.

## End of the school day

Please could you refrain from using the balance beams/sand pit/play equipment at the end of the school day. Each outdoor area of school is designated to a class for their use during the school day.
