

Edmondsley Primary and Nursery School

Communication

To further improve our communication with all parents, we will be using e-mail to send letters and information to you. You should have received a Survey Monkey, sometime last week, please can you complete this so we can use your e-mail in the future. Alternatively, please e-mail your address to edmondsley@durhamlearning.net

Microsoft TEAMS assignments

Thank you to all who took part in our survey last week to help us resolve a few issues. Thanks so much for your patience everyone. I'm pretty sure that everyone who has accepted the terms of use, will be able to log on and complete the assignments with no issues - soon! Quite a few parents were unaware that assignments had been set which explains why only a quarter of children from each class had actually completed the assignment and returned it.

Staff are keen to get this sorted so that there is as little disruption to your child's education as possible when they have to learn from home. With this in mind, staff are preparing another trial TEAMS assignment which will be loaded onto the system next week - week beginning 16th November. Teachers will text you when this is available for your child to access.

Please don't hesitate to phone school if you need assistance with log in details again.

Thanks once again everyone for your patience and willingness to work with us to get this sorted.

School Policies

The following School Policies have been reviewed by our Curriculum, Standards and Wellbeing Governor Committee and are available on our School Website to view. Please contact school if you would like a paper copy.

Attendance Policy
Behaviour Policy
Arrival and Departures Policy
Health, Sex and Relationships Policy
Anti-bullying
