

Edmondsley Primary School

Becoming an Active Learner and Sportsman

Subject: PE		
Intent	Implementation	Impact
<p>At Edmondsley Primary School, we recognise the importance PE plays in the curriculum and are committed to providing all children with opportunities to engage fully in Physical Education.</p> <p>We provide a safe and supportive environment for children to flourish in a range of different physical activities which is essential in supporting their physical, emotional, social and moral development. At Edmondsley, we offer a dynamic, engaging and varied program of activities to ensure that all children progress physically through a unique and fully inclusive PE curriculum.</p> <p>Our curriculum improves the well-being and fitness of all children, not only through the sporting skills taught, but through the underpinning values PE promotes. We aim to deliver high quality</p>	<p>In KS1 and KS2 children have at least 2 hours of quality PE sessions a week, following progressive schemes of work.</p> <p>In a PE session you will see:</p> <ul style="list-style-type: none"> • Consistency in routines including an introduction and warm up, skill development and plenary/cool down. • Collaboration and opportunity for children to work independently and together. • Opportunity for children to perform/model good practice and feedback. • Subject specific vocabulary that builds on previous learning and is relevant to the lesson. • Progression in equipment used with year groups. • Children enjoying being active, having fun and engaging in their learning. <p>PE at Edmondsley Primary School provides challenging and enjoyable learning through a range of sporting activities including invasion games, net & wall games, striking and fielding games, gymnastics, dance, health and fitness, outdoor and adventure and swimming. The</p>	<p>Our Recent Ofsted Report highlighted that:</p> <ul style="list-style-type: none"> • Staff plan effectively in subjects such as physical education (PE). • Pupils develop their PE skills well. • Staff adapt their plans to meet the needs of all pupils. • Staff successfully support pupils with special educational needs and/or disabilities (SEND). • A range of roles help pupils develop citizenship skills. For example, pupils can be a member of the school council, a reading ambassador and a sports leader. <p>Other impacts include: Children deepen their understanding of PE, year on year, by being introduced to specific skills, vocabulary and opportunities. All children also have the opportunity in</p>

<p>teaching and learning opportunities that enable all children to achieve their personal best. All children participate in competitive sport which can be against self and/or others. We encourage children to transfer the school promise to sporting and physical activity, ensuring that they aim to be the very best that they can be whilst working as a team and showing respect and resilience.</p> <p>We aim for all children to be physically active for sustained periods of time and to be able to make informed decisions to lead healthy and active lives. Thus, embedding life-long values.</p> <p>Swimming is an important life skill and we aspire for children to leave primary school having met at least the minimum requirements of the National Curriculum.</p>	<p>Long-Term planning for each class sets out the PE units which are to be taught throughout the year and ensures that the requirements of the National Curriculum are fully met.</p> <p>We use the skills, expertise and training from the Durham and Chester-Le-Street Sports Partnership to complement our offer in PE. Children are invited to attend competitive sporting events and festivals within the local area and beyond. This is an inclusive approach which endeavours to encourage not only physical development but also mental well-being. These events also develop teamwork and leadership skills and are very much enjoyed by children.</p> <p>Children are encouraged to participate in the varied range of extra-curricular activities. We provide inclusive and enjoyable clubs which increases children's physical activity. Clubs are offered to both KS1 and KS2 children, occasionally Foundation Stage too. Children are also encouraged to stay active at break times and can access a variety of equipment to use using our Outdoor Play And Learning provision. Children in Year 5 and 6 are given the opportunity to become members of the SSOC (School Sports Organising Crew). This aims to develop sporting role models for the younger children, assisting with and organising games at break times as well as supporting sporting festival visits.</p>	<p>the summer term to take part in a sports day.</p> <p>Children have the opportunity to attend different sporting events and extra-curricular activities which leads to an extensive experience of different disciplines within Physical Education and Physical Activity.</p> <p>Children at Edmondsley Primary School become confident within the different strands of PE and show resilience when tackling new skills.</p>
