

## English

In English during this half term, we will be looking at a range of Myths and Legends.

**We will be exploring:**

- Recounts/Diaries
- Narrative writing
- Instructions

## Maths

**In Maths during this half term, our objectives will focus on: Measurement, money and time.**

**We will be learning to:**

- Measure, compare, add and subtract: mass (kg/g); volume/capacity (l/ml).
- Add and subtract amounts of money to give change, using both £ and p in practical contexts.
- Use vocabulary such as o'clock, a.m./p.m., morning, afternoon, noon and midnight.
- Know the number of seconds in a minute and the number of days in each month, year and leap year.

## Science

**During this half term our focus will be Light and Dark.**

**We will be learning to:**

- Recognise that we need light in order to see things and that dark is the absence of light
- Notice that light is reflected from surfaces
- Recognise that light from the sun can be dangerous and that there are ways to protect their eyes
- Recognise that shadows are formed when the light from a light source is blocked by an opaque object
- Find patterns in the way that the size of shadows change.

## Geography

**In Geography this term, our focus will be to investigate the continent of Europe.**

**We will be learning to:**

- Develop confidence with navigation around the countries of Europe.
- Identity and locate some of the key landmarks of Europe.
- Use of grid references on atlas or maps of Europe.
- Develop knowledge of major rivers and their features.

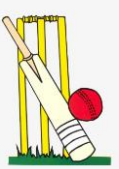

## Rabbit Class - Summer 1 Curriculum Grid

## PE

We will be taking part in PE on **Monday and Friday**. The children will need to come to school in their PE kits for these days.

We will be learning the skills needed to play striking and fielding games, such as cricket and rounders.

## RE

In RE, we will be exploring what we can learn from the story of St Cuthbert.

**We will be learning to:**

- Explore Lindisfarne and its importance to Christians.
- Examine the story of St Cuthbert and its teachings.

## Computing

**In Computing this half term, our focus will be on programming.**

**We will be learning to:**

- Design, write, and debug programs that accomplish specific goals.
- use sequence, selection, and repetition in programs
- Explain how some simple algorithms work, and to detect and correct errors in algorithms and programs

## Design and Technology

**In D&T this term our focus will be structures.**

**We will be learning to:**

- Use research to create ideas and refine them to develop design criteria.
- Build and join strong frame structures and stiffen materials.
- Understand frame structures and how they can be strengthened and stiffened.
- Evaluate ideas and products and consider how to improve.

## Personal, Social, Health, Relationship and Citizenship Education

### I is in United, Teamwork's the Prize

**In PSHRC this term our focus will be teamwork.**

**We will be learning to:**

- See a situation from another person's perspective.
- Understand and use peaceful problem-solving solutions.

## French

### Musical Instruments

In this unit we will focus on musical instruments.

**We will be learning to:**

- name a variety of musical instruments in French
- say that we play an instrument of our choice correctly in French
