

English

In English during this half term, we will be exploring:

- diaries;
- narrative writing; and
- news reports.

Science

In Science during this half term, our focus will be on plants. We will be learning to:

- observe and describe how seeds and bulbs grow into mature plants; and
- find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

Maths

In Maths during this half term, our objectives will focus on:

- fractions;
- measurement (including length, weight, time); and
- problem solving.

Geography

In geography our question will be 'What might we see on a holiday?'

We will be learning to:

- locate the world's continents, locate the equator, locate the UK and its capitals;
- learn new key geographical vocabulary;
- compare the human and physical geography of two small areas;
- Working like a geographer using aerial photographs and atlases; and
- devise a simple map, using simple compass directions to describe location of features on a map.

Squirrel Class - Summer Term 1 Curriculum Grid

PE

We will be taking part in PE on Tuesday and Thursdays. The children will need to come to school in their PE kits for these days. We will be doing tennis and cricket.

RE - How do Buddhists show their beliefs?

We will be thinking about the questions below:

- What does the wheel of life tell us about Buddhist belief?
- What can we see in a Buddhist home shrine?
- How do Buddhists worship?
- How do Buddhist's worship in community?
- How does Buddhism shape a believer's morals?

Personal, Social, Health, Relationship and Citizenship Education

How can I look and act in a friendly way?

How do I solve problems in my friendship group?

What makes a good friend?

What does change and loss mean?

How can we learn from our mistakes when facing a challenge?

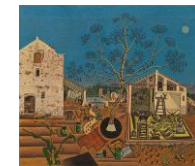

Computing

In Computing this half term, our focus will be on **Information Technology**. The children will be learning to:

- add and create simple images;
- combine simple text and graphics, for instance create a poster for a purpose; and
- understand their digital footprint and why it is important.

Art

In art this term, we will **continue** to focus on the Spanish Catalan artist, **Joan Miró**, and his **Magical Realist** paintings.

We will be learning to:

- draw on their own experiences to create dream-like pictures about their own lives.;
- have great fun exploring printmaking with lots of different objects and materials to illustrate a nonsense alphabet; and
- use their imaginations as they delve into Miró's Surrealist paintings and sculptures, learning new techniques and making their own unique, colourful, and exciting artworks
