

## English

In English during this half term, we will read books related to toys.

With support, we will focus on:

- continuing to developing phonics knowledge to learn to read and write words in sentences;
- writing captions, labels and lists;
- reading and writing recounts, short narratives and poetry; and
- developing an awareness of full stops.

## Maths

In Maths during this half term, our objectives will focus on addition, subtraction, shape and place value 0-20.

We will be learning to:

- Find fact families;
- Add - adding together/adding more;
- Subtract - taking away/finding the difference;
- Use symbols of + - =;
- Sort, recognise and name 2D and 3D shapes;
- Compare and order numbers to 20; and
- Count forwards and backwards and write and read numbers to 20 in numerals and words.

## PE

We will be taking part in PE on **Wednesday and Thursday**. The children will need to come to school in their PE kits for these days (tracksuit bottoms, school jumper and trainers). We will be taking part in gymnastics and

## Music

We will be learning to sing songs in tune for our Christmas performance.

We will be learning how to play simple notation: crotchets, quavers and rests.

## History

In History this half term our theme is 'The Toys That Time Forgot?'

We will be learning to:

- develop an awareness of the past;
- begin to use simple dates;
- show where people and events fit into a basic chronological framework;
- use historical terms such as old, new, recently, younger, years, decade, and century, long ago;
- ask questions about sources and artefacts and begin to understand some ways we find out about the past from objects/artefacts from the past.

## Science

In Science during this half term, we will continue to think about materials in the context of our history theme of toys. We will also continue to observe the differences in seasons as we move from autumn into winter.

## Hedgehog Class - Autumn 2 Curriculum Grid

## RE - Why are gifts given at Christmas?

This half term in RE, we will be exploring these questions-

- What is the Christmas story?
- What gifts did the wise men bring?
- Why do Christians see Jesus as a gift?
- What gifts do we give?
- What does a Christian Christmas look like?

## Computing

In Computing this half term, our focus will be on programming.

We will be learning how to:

- make simple sets of instructions;
- make simple algorithms; and
- plan a journey round a simple route.

## Design Technology

In DT we will use our history topic on toys as a stimulus.

We will be learning to:

- explore and evaluate a collection of books and everyday products that have moving parts, including those with levers and sliders;
- generate a simple design criterion and develop their ideas for through talking, drawing and making mock-ups of their ideas with paper and card; and
- use tools, explaining their choices, to cut, shape and join paper and card using simple finishing techniques suitable for the product they are creating.

## Personal, Social, Health, Relationship and Citizenship Education

In PSHRCE this term our focus will be,

We will be considering the following questions.

- I can tell when I feel loved and cared for,
- I understand that if someone leaves me, they might still love me.
- I can tell you how it feels when things are unfair.
- I know how to say sorry and how to forgive.
- I can see and respect differences between people.
