

## English

In English during this half-term, we will be exploring the book *The Twits* by Roald Dahl

We will be writing:

- Diary entries
- Playscripts
- Newspaper reports

## Maths

In Maths during this half-term, our objectives will focus on properties of shape and statistics:

We will be learning to:

- Read and interpret bar charts, pictograms and line graphs
- Draw our own bar charts and pictograms
- Name angles
- Compare and order angles
- Understand vertical and horizontal lines, including parallel and perpendicular lines
- Draw 2D and 3D shapes
- Name quadrilateral shapes

## Science

In Science during this half-term our key question is: What would our diet and bodies be like if humans had never had teeth?

We will be learning to:

- Identify that humans and some other animals have skeletons and muscles for support, protection and movement.
- Construct and interpret a variety of food chains, identifying producers, predators and prey.
- Identify the different types of teeth in humans and their simple functions.

## Geography

In Geography this half-term our key question is: **Why does Italy shake and roar?**

We will be learning:

- About the location of Italy and its physical and human characteristics.
- About geographical similarities and differences by studying a region in Italy.
- Describe and understand aspects of physical geography including rivers, mountains, volcanoes and earthquakes.
- To gather information and pose geographical questions, using photographs as evidence.

## Rabbit Class - Summer 2 Curriculum Grid

## PE

We will be taking part in PE on Monday and Thursday. This half-term we will be taking part in athletics lessons and football. We will practise and refine our skills in solo and team events.

The children will need to come to school in their PE kits on a Monday and a Thursday.

## RE

In RE, we will be exploring the key question: Why do people visit Durham Cathedral?

We will be learning:

- Why St Aidan may be seen as a beacon
- How the life of Cuthbert inspires people today and is still significant today
- Why people visit Durham Cathedral today

## Computing

In computing this half term, our focus will be on Information Technology

We will be learning to:

- Know how to change font size and style; include shapes and backgrounds and to use the Spellcheck function
- produce a piece of work related to other learning
- Use sequencing to create an effective presentation or video Keynote, PowerPoint or iMovie.

## Design & Technology

In D&T this half-term our focus will be to design, make and evaluate an Italian meal for a family using home grown ingredients.

We will be learning to:

- Understand and apply the principles of a healthy and varied diet
- Understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed in the UK.
- Prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques

## Personal, Social, Health, Relationship and Citizenship Education

PSHRC this half-term our focus will be "What's Next?"

We will be learning to:

- Know that change can be really good and can tell you about some changes that have made our lives better.
- Describe how they would feel if a change that they didn't want happened to them.
- understand other people's behaviour by thinking about what they might be feeling or thinking
- Know that sometimes there can be positive outcomes from changes that they didn't like at

## French - Animals

In this unit we will learn how to:

- Say different animals in French
- Say what pets we have or would like
- Begin to build up full sentences in French
