

## English

In English during this half term, our children will continue to be taught in their RWI groups.

Each group will be reading different stories and continuing to develop phonic knowledge to read, spell and write. This ensures the children are accessing books specific to their stage of phonics development. As a year group we will be reading a range of Julia Donaldson stories, poetry and Katie Morag stories.

## Science

In Science during this term our focus will be on the animals we can discover in Edmondsley and the Seasonal changes from winter through to spring.

We will learn to:

- Sort and name different groups of animals
- Name animals that live in the local environment
- Name features of different animals
- Observe the changes across the seasons
- Observe and describe weather associated with the seasons

## Maths

In Maths during this half term, our objectives will focus on:

- Place value within 50- counting, grouping, partitioning and estimating
- Length and height - comparing and measuring in centimetres
- Measuring and comparing - capacity, volume and mass.

## History

In History this term, our focus will be on 'What were schools like in the past?' We will visit Beamish.

We will learn to:

- Develop an awareness of the past
- Begin to use simple dates
- Begin to use a vocabulary of historical terms
- Ask questions about sources and artefacts
- Use first-hand experience to make comparisons

## Hedgehog Class - Spring Term 2 Curriculum Grid

## PE

We will be taking part in PE on Mondays and Fridays. The children will need to come to school in their PE kits for these days. We will be doing Relax Kids and Invasion Games.

## Art

This term we will explore the natural world and will make sculptures, collages and 3D models of creatures, all inspired by Louise Bourgeois

We will learn to:

- Use a range of materials creatively to design and make products
- Use drawing, painting and sculpture to develop and share ideas
- To develop art and design techniques in using colour, pattern, texture, line, shape, form and space
- Understand the work of other artists and make links to own work

## Religious Education

In RE this half term, children will develop an understanding of the Easter Story.

We will learn:

- How Christians celebrate Easter
- The different parts of the Easter story
- To reflect on what the word 'Easter' means to them

## Computing

In computing this term we will be introducing data and information.

We will learn to:

- Label objects
- Identify and describe objects
- Count and compare objects

## Personal, Social, Health, Relationship and Citizenship Education

In PSHCE this term we will be learning about how to look after each other and the world we live in.

We will learn to:

- Recognise the ways in which we are the same and different
- Treat others with respect
- Understand how our behaviour can affect others
- Understand how to look after the environment
- Prepare for and manage change and how people's needs change as they grow from young to old

## Music

We will learn to:

- Sing a simple song in different ways
- Use the thinking voice and movements or actions for parts
- Learn and compose a chant and perform
