

English

In English during this half term, the children will continue to be taught in their Read, Write, Inc. groups. Each group will be reading different stories and continuing to develop phonic knowledge to read, spell and write. This ensures the children are accessing books specific to their phonic development. As a year group we will be reading a range of fiction and non-fiction texts.

Maths

In Maths during this half term we will be learning to:

- Compare and measure mass, volume and capacity
- Count in 2s, 5s and 10s.
- Make arrays.
- Make doubles.
- Make equal groups - sharing.
- Make equal groups - grouping.
- Find and recognise a half.
- Find and recognise a quarter.

Science

In Science during this half term, our focus will be on

- Which plants we can discover around Edmondsley.
- Planting and growing our own seeds.
- The differences between evergreen and deciduous trees.
- Naming the parts of trees.
- Naming the parts of flowering plants.
- Seasonal changes and signs of summer.

Music

In Music this half term we will be exploring sounds, melody and accompaniment.

Geography

In Geography this half term, our focus will be 'What is my country like?'

We will be learning to:

- Identify the UK on different maps.
- Recall the names of the 4 countries and capital cities that make up the UK.
- Use a map key to find mountainous and hilly areas of the UK.
- Recall 2 local landmarks.
- Record the weather in the capital cities to gain an understanding that it can be different.

Hedgehog Class - Summer 1 Curriculum Grid

PE

We will be taking part in PE on Mondays and Fridays. The children will need to come to school in their PE kits for these days (tracksuit bottoms, school jumper and trainers). We will be taking part in Outdoor Adventurous Activities and Team Building Activities.

RE - Why is Jesus special to Christians?

This half term in RE, we will be exploring these questions-

- What do we already know about Jesus?
- Why did Jesus tell stories?
- How did Jesus change lives?
- What do Christians believe about Jesus' power?

Computing

In Computing this half term, our focus will be on using a computer independently.

We will be learning how to:

- Use a computer.
- Create and manipulate text.
- Use a keyboard and mouse.
- Change the font, colour and size of text.

Art (or) Design Technology

In Art this term our focus will be to study the work of Joan Miro with a focus on...

- Using a range of materials to design and make products.
- Use drawing, painting and sculpture to develop ideas, experiences and imagination.
- Develop art and design techniques using colour, pattern, line, shape, form and space.
- Explore the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines and making links to their own work.

Personal, Social, Health, Relationship and Citizenship Education

In PSHRCE this term our focus will be, 'Health and Wellbeing' with a focus on understanding what helps us to stay healthy.

- How to make healthy food choices.
- How to stay actively fit and healthy.
- Understanding oral hygiene.
- Understanding emotions and mental well being.
