In Music this half term, our focus will be learning to play the Ukulele

We will be:

- Sing/play appropriate material confidently and fluently.
- Maintain own part with awareness of how the different parts fit together to achieve an overall effect.
- Contribute to a class performance.
- Rehearse together to achieve objectives.

Maths

In Maths during this half term our focus will be on fractions, time and money

We will do this by:

- Adding and subtracting fractions with the same denominator.
- Adding and subtracting money
- Converting money
- Solving problems in time
- Knowing how to read time in Roman numerals
- Tell time to 5 minutes
- Tell time to 1 minute

Rabbit Class - Summer 1 Curriculum Grid

PE

We will be taking part in PE on Tuesday and Friday. The children will need to come to school in their PE kits for these days.

We will be completing team activity units.

Children will:

- Develop skills in Net and wall games.

RE

This half term in RE, we will be studying Judaism and why they express their beliefs at home. Through this study we will learn about:

- What is Kosher food?
- How Shabbat is celebrated at home
- What is Mezuzah

Computing

In computing this half term, our focus will be learning about Desktop Publishing:

Through this unit we will:

- Know that spending too much time using technology can have a negative impact on anyone.
- Understand what copyright means
- Find media that can be used in a production
- How to find copyright free media.

Design & Technology

In D & T we will be learning: Structures

- Children will develop and understanding of frame structures and how they can be strengthened and stiffened.
- Investigate and analyse a range of existing products
- Select from and use a wider range of materials and components, including construction materials to create a rollercoaster.

Personal, Social, Health, Relationship and Citizenship Education

In PSHRCE this term our focus will be how do we keep ourselves healthy.

We will learn:

- The importance of having healthy teeth
- To identify and know what each tooth does
- Understand what too much bad food can do to our bodies/teeth
- Healthy foods we can eat to improve our health

French

In French we will learn how to:

- Verbally present ourselves using correct annunciation
- Write a sentence describing ourselves using correct determiners and verbs.
- Spell verbs in French.
