School Organisation

Pupils in Nursery to Year 2 are taught as single-entry year groups.

Key Stage 2 pupils are divided into 3 classes. This consists of one mixed Year 3/4 class, one mixed Year 4/5 class and one mixed Year 5/6 class.

There are three possible journeys pupils can take through key Stage 2. Each pupil will spend two years in one of the Key Stage 2 classes. The majority of pupils spend two years in Deer Class (Years 4/5).

How our Curriculum Cycles are organised so that there is coverage of all National Curriculum objectives in all subjects.

Subject Leaders have rigorously planned the curriculum cycles so that all pupils are taught the full National Curriculum, in a sequence which ensures that learning builds on prior learning, no matter how pupils travel through Key Stage 2.

- Pupils from Nursery to Year 2 are taught in single cohorts so no cycle organisation is required.
- A 2-year cycle is in place for pupils who are taught in Rabbit, Deer and Stag Class.

Subject Leaders have ensured that the full National Curriculum objectives are taught, no matter which Curriculum Cycle has not been taught.

Autumn term 1 in all cycles will focus on short stories and picture books in order to capture the pupils' attention and engagement in years 1-6. This will support KS2 in focusing on basic skills and punctuation whilst using accessible and thought-provoking texts.
